

SUN CITY WEST LADY PUTTERS
General meeting, June 14 2021
Social Hall
R H JOHNSON RECREATION CENTER

President Anne Becknell called the meeting to order at noon.
There were 76 members present.

Minutes: Kay Williams acting secretary had prepared the minutes of the last General Meeting held 3/22/2021. Anne stated that these minutes had been posted for review. They were approved as written.

Treasurer's Report: Marlene Gates presented the report. The ending balance as of May 31, 2021 was \$6,354.17.

Membership Committee: It was announced that we have a current membership of 232 members and that we have enrolled 34 new members since January 1, 2021. Judy Smith had to resign from the membership committee for health reasons and Linda Reed has volunteered to take her place for the remainder of 2021.

There were no other committee reports.

Presentation of awards for a hole in on one the number one hole.

Eighteen ladies were presented golf tee shirts compliments of Jason Peterson of Edward Jones for getting a hole in one on hole number one in the previous quarters. A drawing was held for first and second place prize from the eighteen ladies. The 1st place prize of a new putter was won by Karen Backman and the 2nd place prize of a bottle of wine was won by Jennifer Walsh.

NEW BUISNESS: Anne thanked everyone for arriving at 7:15 for check-in. This has alleviated the congestion problem with the men golfers on their league day.

Anne read the names of the fourteen putters who had won \$20.00 or more during the last quarter.

Anne stated that we have an option to play three courses in the future. Echo Mesa, Pebblebrook and Grandview. A hand vote was taken to see how many favored staying at Grandview and how many favored using all three putting greens. The vote was very close so Anne is going to prepare a ballot to be emailed to the entire membership to determine if we will begin some form of rotation or remain at Grandview and Grandview only.

Anne stated that we have three members who have put forth their names for nomination as officers for the year 2022. They are: President, Tracy Anderson. Vice President, Carol Goff. Treasurer, Judy Fricke. The position of Secretary is still open and members are encouraged to run for the position.

There being no further business Anne adjourned the meeting at 12:25 pm.
