WEEKLY PUTTING COMPETITIONS

Will not involve any sign-ups in advance or cancellations. Weekly fees are \$4, always bring \$1 bills for your fee. \$1 of our weekly fee shall be paid to the course as a green fee. The remaining \$3 shall be used for the pay-off of holes-in-one and weekly prizes. Pay-off for holes-in-one will be made upon presentation of the attested score card at the Pay-Out Table. Other prizes for the weekly competition will be awarded at the next general meeting luncheon.

In determining the results of weekly competitions and in order for members to compete for prizes in groups of comparable skills we have groups also known as flights. New members start with no handicap and will compete in a no handicap flight until they have turned in 5 attested score cards. The no handicap flight will compete on the basis of gross scores. After 5 scores, the Handicap Chairman will assign a provisional handicap in order to allow the member to compete in the regular group/flights. After the first 10 attested scores, the member will be assigned a regular handicap.

Handicaps will be updated and published twice monthly.
